OREO® COUNT SHEET

Teacher Name _____

Students will stack the cookie, **one at a time**, to create a stack of cookies. They may NOT adjust the cookie once they have placed the cookie on the top of the stack and moved their hand away.

Students will count their cookies (after they have tumbled) and enter in their count for both attempts. Please put a check mark in the attempt that had the most cookies.

Student Name	**Attempt 1**		**Attempt 2**	

Student Name	Attempt 1		Attempt 2
